PHOTOGRAPHIC CARD. TAKE pleasure in announcing to my old friends and customers that after an absence of two years, I have again returned to resume the practice of the Photographic Art in all its branches, having purchased the interest of my brother in the old established Gallery in Union Street, and having spent four months in New York the past Summer to obtain fully all the late improvements in the art. I have painted, renovated and enlarged the suite of Rogms throughout. That my facilities are asw better to produce first class work than most Galleries can beast of, and conduce to the comfort of ear patrons. I trust not only to susain the proud position the Gallery has heretones sustained, but to elevate it to a still higher standard. I have also engaged the services of Mr. COOK, one of the best Photographers in the world, who took the Pictures which obtained the first premium at the World's Fair in London, in 1851, and I am determined not only to make this the leading Gallery in t State, but my work shall not be surpassed North or Son and now introduce to the public the following new styles:
